JICA is responsible for implementing Japan's Official Development Assistance (ODA) to the Philippines and other recipient countries.

Our vision is Inclusive and Dynamic Development.

Japan has been the top donor agency to the Philippines. For ongoing ODA projects between 2007 and June 2011 (ie latest data available from NEDA), JICA accounts for 32% of total ODA to the Philippines.

# JICA Assistance Schemes

  - Volunteer (JOCV) Program

Marcelo B. Fernan Bridge (1999)

South Coastal Road Tunnel(2010)

# Japan Overseas Cooperation Volunteers

- JOCV is one of the programs of the JICA aimed at providing technical assistance in countries. In principle, JOCVs spend 2 years involved in cooperation activities, living and **working with people in the community.**
- JOCVs provide them with technical skills and opportunities to experience the joy of discovery and creation through technical cooperation.
